

# SOUTHWEST TRANSPORTATION PLANNING REGION

## NOTICE OF FUNDING OPPORTUNITY

### Multimodal Transportation & Mitigation Options Fund

### SWTPR Application for FY2025-2028 MMOF Funds

The Southwest Transportation Planning Region (SWTPR) is pleased to announce the opening of its application process for the FY2025-2028 Multimodal Transportation and Mitigation Options Fund (MMOF) program. A total of **\$1,382,598** is available for eligible multimodal projects that support transportation improvements in the SWTPR region.

#### Key Dates:

- **December 20, 2024:** Deadline to submit applications to [mmof@state.co.us](mailto:mmof@state.co.us).
- **January 24, 2025:** CDOT Region 5 reviews of applications will be provided to applicants.
- **February 5, 2025:** Final applications (incorporating CDOT feedback) must be sent to [mmof@state.co.us](mailto:mmof@state.co.us) and CC'd to [shak@region9edd.org](mailto:shak@region9edd.org) for inclusion in the February packet.
- **February 13, 2025:** Applicants will present their projects to the SWTPR.
- **March 31, 2025:** SWTPR MMOF Subcommittee will review projects with scoring criteria and prepares recommendations.
- **April 10, 2025:** SWTPR will vote to award projects at their regular meeting.

#### Eligible Applicants:

The MMOF funding is available to municipalities, counties, transit agencies, school districts, and other eligible entities within the SWTPR boundaries. Projects must meet one or more of the MMOF program goals, which include:

- Promoting a complete and integrated multimodal transportation system.
- Enhancing transportation options for seniors, persons with disabilities, and rural or disproportionately impacted communities.
- Reducing greenhouse gas emissions and promoting active transportation.

#### Application Process:

Applicants are required to submit a completed application form electronically. No printed or scanned files will be accepted. The application form can be downloaded from the SWTPR website or obtained via request by contacting [mmof@state.co.us](mailto:mmof@state.co.us).

#### Match Requirements:

All projects are subject to match requirements. Depending on the location and entity type, the match rate may vary between **50%, 25%, or 0%**, as outlined in the [May 2024 Match Rate](#)

[Requirements](#) document. Match reductions or exemptions can be requested based on economic hardship or local conditions.

**Selection Criteria:**

Applications will be evaluated based on the following criteria:

- **Network/Modal Connectivity:** Does the project improve connectivity for bicyclists, pedestrians, or transit users?
- **Safety:** Does the project include safety improvements for non-motorized users?
- **Greenhouse Gas Reduction:** Will the project reduce VMT or increase multimodal travel options?
- **Equity:** Does the project benefit disproportionately impacted communities or underserved populations?
- **Economic Impact:** How will the project boost tourism, commerce, or access to employment centers?
- **Quality of Life:** Does the project enhance public health or access to essential services?

**Submission Instructions:**

Submit your application electronically to [mmof@state.co.us](mailto:mmof@state.co.us) by **December 20, 2024**. Be sure to CC [shak@region9edd.org](mailto:shak@region9edd.org) in your final submission by **February 5, 2025**.
